# Welcome to Kingsbury Green Academy Sixth Form

---

Welcome to Kingsbury Green Academy Sixth Form and thank you for taking the time to read our prospectus. This is a tremendously exciting time to be considering our Sixth Form, as we have recently joined the outstanding Royal Wootton Bassett Academy Trust and are looking forward to sharing the trust's commitment to excellence with the students of Calne and the surrounding area.

At Kingsbury Green Academy, we believe in the power of education to change lives and we aim to be inclusive and cater for the needs of all our students. We will achieve this with inspirational teaching by subject specialists with a track record of Post 16 success. Kingsbury Green Sixth Form provides excellent pastoral care delivered by an experienced team of dedicated sixth form tutors. We offer a unique range of extra-curricular activities that will enable our students to become well-rounded, confident young people who have an impact on the world.

A commitment to excellent Careers Information, Advice and Guidance means that our students are well informed when it comes to the next exciting chapters in their educational and life journey. We have outstanding links with a wide range of universities including Oxbridge and Russell Group universities. Our students benefit from direct access to representatives from these institutions via outreach work and direct experiences at the universities themselves. In addition to our comprehensive support for the university applications process, we have a strong system in place to support access to Higher Level Apprenticeships. Links with companies as diverse as BMW, PWC and KPMG also mean our students are able to access opportunities on a truly global scale.

Eleanor Roosevelt once said,

*“The future belongs to those who believe in the beauty of their dreams”.*

At Kingsbury Green Academy Sixth Form, our mission is to help our students make their dreams a reality and we look forward to working together to make that happen.

**Jason Tudor | Principal**

*"At Kingsbury Green Academy, we believe in the power of education to change lives and we aim to be inclusive and cater for the needs of all our students."*

# Curriculum

---

The Kingsbury Green Academy Sixth Form curriculum will provide all learners with a depth of knowledge and a rich understanding from a broad range of subjects.

Students are able to choose from a range of qualifications including A level, BTEC, Cambridge Level 3 Technical qualifications and the Extended Project Qualification. Every student is given the opportunity to select 4 qualifications at the start of Y12 and is given the option to pursue all 4 subjects in Y13 or to focus on 3 subjects only. This approach provides much needed flexibility at this important stage in life.

**A Level subjects on offer at Kingsbury Green Academy Sixth Form include:**

- |                    |                       |
|--------------------|-----------------------|
| Biology            | Maths                 |
| Business Studies   | Music                 |
| Chemistry          | History               |
| Drama              | Philosophy and Ethics |
| English Language   | Photography           |
| English Literature | Physics               |
| Fine Art           | Psychology            |
| French             | Sociology             |
| Further Maths      | Spanish               |
| Geography          |                       |

# Sixth Form Life

---

## The award winning John Lawrence Sixth Form Centre is home to Kingsbury Green Academy Sixth Form students.

The building provides an inclusive environment for our students to study, communicate and support one another. The large common room area, complete with a coffee bar, is the hub of sixth form daily life. It is a place for discussing ideas with friends and enjoying the more relaxed and responsible approach to learning that Post 16 study brings. There are breakout rooms that provide areas for quiet study, IT suites with access to full Microsoft software packages, a university prospectus library and meeting rooms for presentations and group work.

Ensuring students are both well looked after and challenged at the same time is our dedicated Sixth Form pastoral team. This team of specialists comprises our Head of Sixth Form and Sixth Form tutor team. Their knowledge of Sixth Form pastoral care extends to UCAS applications, personal financial management and anxiety management as well as the important skill of cooking on a budget! The daily tutor programme brings in external speakers to discuss a range of topics, from careers to understanding the laws of consent. The programme is deliberately thought provoking and is focused on preparing our students for life beyond Sixth Form.

### Careers Advice and Pathways

Kingsbury Green Academy Sixth Form students pursue a range of pathways to support their ambitious plans for future careers. An independent careers advisor is available to students from the start of Y12 and works with students to consider the wealth of opportunities available to them. Parents are kept informed via regular parental meetings so that any decisions taken are well considered and balanced.

The ambition for Kingsbury Green Academy Sixth Form is for 100% of students to follow their chosen career path, whether that be in medicine via a Russell Group university or in finance via a higher level apprenticeship.

# Applications...

---

**Choosing the right place to successfully complete your Post 16 studies is very important.**

We believe that Kingsbury Green Academy Sixth Form provides the very best learning environment to ensure that each and every student leaves us as well prepared for the next stage of their life as possible. We hold a number of events during the year to allow prospective students and families to visit our school. We would be delighted to welcome you to our wonderful Sixth Form Centre and show you first-hand the exciting curriculum, incredible facilities and highly accomplished teachers we have at Kingsbury Green Academy. We are equally happy to invite you to come and take a look around our wonderful school at a time that suits you. To arrange a tour contact [admin@kingsburygreenacademy.com](mailto:admin@kingsburygreenacademy.com)

The process for applying to attend Kingsbury Green Academy Sixth Form is completed through the Sixth Form office. All relevant information including forms can be found on the school website. If you would like any help or support completing the form, or information about the move from Year 11 to Sixth Form, we would be happy to help.
